What are the experts saying about the Katie Jig® Dovetail System?

"We cut our first joint in less than 30 minutes. The results were perfect. The joint was a clean, precise fit."
Cabinetmaker Magazine

"...It is the simplest-to-set-up jig I've yet seen...I had better control over the dovetail-cutting process than I have had with any other jig."
Wood Magazine

"Simple to set up and use, and the results are good."
Fine Woodworking
