Sommerfeld's New **Featherguard**

Item #FG \$24.⁹⁰

**Buy Two
For Only \$39.⁹⁰**

This can also be used on the table saw.

The only featherboard that doubles as a 100% safe guard when used correctly – no part of the bit is exposed to your hands.

- ✓ Great for large pieces of plywood.
- ✓ Works great on raised panel doors.
- ✓ Make cuts accurately and safely at the same time.
- ✓ Unique design allows for over 50 lbs. of pressure.
- ✓ The guard portion completely covers the router bit.
- ✓ Can be used as a featherboard and a guard at the same time.
- ✓ Can use two at the same time – one vertically and one horizontally.
- ✓ Knobs and hardware included to attach to your router table or table saw.

Used as a guard

Used horizontally

Used vertically
